

Occupational Health & Safety Policy

Our statement of general policy is to meet the following objectives:-

- To provide adequate control of the health and safety risks arising from our work activities
- To consult with our employees on matters affecting their health and safety
- To provide and maintain safe plant and equipment
- To ensure safe handling and use of substances
- To provide information, instruction and supervision for employees
- To ensure all employees are competent to do their tasks and to give them adequate training
- To prevent accidents and cases of work related ill health
- To comply with our legal requirements
- To promote the continuous improvement of our health and safety management system
- To maintain safe and healthy working conditions and to review and revise this policy, as necessary.

Overall and final responsibility for our health and safety management is that of Allan Packer – Managing Director. Day to day responsibility for ensuring this policy is put into practice is delegated to Dee Cordall – Director of Internal Operations.

All employees are required to:-

- Co-operate with supervisors and managers on health and safety matters.
- Not interfere with anything provided to safeguard their health and safety.
- Take reasonable care of their own health and safety; and report all health and safety concerns to an appropriate person (as detailed in this policy statement).
